TAP is a nationally recognized amateur pool league. The league has divisions in all 50 states DC. And Canada. TAP was founded in 1989 by Loyd Schonter and he is still president today. TAP for our players is a natural progression from that bloated other national league and casual local in-house leagues. To a league run by players for the players. TAP offers you the player an opportunity to take your game to the next level. With TAP's EQUILIZER handicapping system you get the fairest and most accurate pool league system.

TAP offers you the player not only a paid trip to a national championship (Las Vegas). TAP has the most equitable return on your investment i.e. weekly and yearly dues, cue stick, pool table, gloves, chalk but most importantly your time and effort. The time is now! Starting with the spring session 2010 check with your league rep or our web site www.route19tap.com for dates.

Save money by being a captain and get your first years membership dues a free. Show another national pool league membership and get a \$5.00 discount on your first year dues. Become a league rep and get your membership and weekly shooting fee free for as long as you remain league rep.

WHERE IS ROUTE 19 TAP

Route 19 TAP Pool League is the collection of 3 counties in North Western Pa. Erie, Mercer and Butler and soon another county will be joining our league. The only thing that all these counties have in common is Route 19 and the passion for pool playing. The reason for so large of an area is that there is strength in numbers. The more players and teams we have then the more payouts we can have for the winning teams. Currently we have over 20 host locations in Butler and Mercer counties. That list is growing every day. For updates keep checking our web site www.route19tap.com.
